CAREER OBJECTIVE:

Enthusiastic developer eager to contribute to real-world projects and grow within a collaborative team. As a fresher, I bring strong logical thinking, a quick learning ability, and a genuine passion for writing clean, purposeful code. I thrive under deadlines and take pride in staying organized and delivering consistent work.

SKILLS:

- **Development:** MERN Stack | HTML | CSS | JAVASCRIPT | BOOTSTRAP
- **Database:** SQL | NoSQL | DBMS
- **Programming:** JAVA | C++ | DSA
- **Tools:** Git & GitHub | VS Code
- **Soft Skills:** Attention to Detail | Problem Solving | Collaborative | Quick Learner

EDUCATION:

- Information Technology | Keshav Memorial Institute Of Technology, Hyderabad. **CGPA: 7.70** | (2024 – Present)
- XII (State Board) | Narayana Junior College, Hyderabad. **96.3%** | 2023
- X (SSC) | Vijay High School, Nizamabad. **CGPA: 10.0** | 2021

ACADEMIC PROJECTS:

- **WeChat | Realtime Chat Application – MERN Stack, Socket.io**
 - View Project : [Quick-Chat](#)
 - Developed a real-time chat application using the MERN stack and Socket.io for bidirectional, event-driven communication, backed by a RESTful Node.js/Express.js API and MongoDB for scalable data storage.
 - Implemented secure user authentication and session management using JSON Web Tokens (JWT), ensuring protected API endpoints and authorized access control across the application.
 - Engineered core features including real-time messaging, multimedia file sharing, user profile management (bio and profile photo updates), and login/logout functionality with persistent user sessions.
- **Birdie Family Golf | Website Clone – HTML, CSS, JS**
 - View Project: [Birdie Family Golf](#)
 - Developed a pixel-perfect clone of the Birdie Family Golf website using HTML, CSS, and Vanilla JavaScript, replicating the original design with high visual accuracy.
 - Implemented various responsive web design principles using CSS components ensuring seamless adaptability across multiple screen sizes and devices.
 - Engineered interactive UI components and smooth animations using CSS and JavaScript to enhance user experience and replicate dynamic frontend behaviour.

CO-CURRICULAR ACTIVITIES

- **Standup Comedy Performance | Indra Dhanush Program, KMIT (NOV '2024)**

I performed a stand-up comedy act in front of my college friends just to make everyone laugh and have a good time, keeping the jokes light and respectful so no one felt uncomfortable.
- **Story Writer and Volunteer | Navraas, KMIT (OCT '2024)**

I worked with a team to write a story for a college performance and contributed my insights on a mythological topic, which helped the act turn out well.

CERTIFICATIONS

- Participation certificate at Project Expo KMIT 2025
- Udemy certified on CSS, Bootstrap, JavaScript.
- Udemy certified Python developer.
